POSTPARTUM CARE CENTRE

INTRODUCE OUR MOTION BED

Cheongdam Postnatal Care Center: Motion Beds in Every Room

At Cheongdam Postnatal Care Center, we understand that the postpartum period involves more time spent in bed. However, simply lying down all day isn't ideal. That's why every room is equipped with state-of-the-art motion beds, allowing mothers to adjust their resting positions to reduce physical strain and enjoy ultimate comfort during their stay.

OUR SERVICES:

- ✔ **Cool Gel Memory Foam Mattress:** Promotes optimal blood circulation and comfort.
- ✔ **Generous Size:** An impressive international standard full king-size bed (2m x 1.9m).
- ✔ **Adjustable Angles:** Perfect for more than just sleeping ideal for reading, feeding, relaxing.
- ✔ **Vibration Massage Function:** Provides soothing massages for enhanced relaxation.
- ✔ **Built-in USB Charging Ports:** Convenient for keeping devices charged.
- ✔ **Underbed Lighting Feature:** Offers soft lighting for a warm, calming ambiance.

Experience premium comfort and relaxation during your postpartum recovery with our luxurious motion beds at Cheongdam Postnatal Care Center.
